Ragsdale High School Band Boosters
PO Box 1482
Jamestown, NC 27282

Fall 2015

Dear Community Business Leader,

We want to start out by thanking you for your continuous support for our band in the past years in all of the ways you have supported our children. The Ragsdale Band has been successful in the past 11 years by having a band festival. This year we are not having one. We are working towards something even better! The band has been given a special opportunity to go to Disney World in Orlando, Florida. With this we are going to have to start our fundraising efforts now.

We are contacting you to please consider sponsoring our band. The Ragsdale High School Band and their parents are preparing for our trip which will be April 2016. The request of sponsorship is our largest means of earning money that allows our quality marching band to continue each year since there is little to no funding from Music and Arts programs under Guilford County's school system. As you are aware our students spend countless hours of daily practice to insure quality performances while providing a valuable learning experience that will remain with each participant for a lifetime.

There are many ways that we can use your help. We are graciously accepting sponsorship funding of the amounts mentioned on the following page. Please feel free to give me a call at 336-688-5049 or email me at mrshealey71@gmail.com of how you would want to bless us.

Your donation will be honorably mentioned during our football games for your support.

Thank you in advance for your support.

Sincerely,

Rene' Shealey
