EXPLANATION OF SCOREING:
 Your performance tempo dictated the **MAX score** for your performance. Choose wisely as you may be better off to play a flawless performance at a slower tempo. The max score will be lowered by .5 for each category that is marked BELOW the Platinum Level

John is playing "Time to Jam" His max tempo is 136 and he has a flawless performance in all areas resulting in a total score of 7.5 points.
 Ira plays "Time to Jam" at 136, but two of the four categories are rated in the gold level and the other are rated in the platinum level. Her score would be a 6.5
 Tim plays "Time to Jam" at 156 and but makes many mistakes and all categories are rated in the bronze level resulting in a score of 4.
